

# AHMAD SALAFUDIN

## SOFTWARE DEVELOPER

### ABOUT ME

I am a software developer at PT Bhakti Satria Persada, graduated at STT Pelita Bangsa Bekasi in November 2018. The basic programming that I master is java and php, I have made several projects with this programming language. I am quite responsible for what has become my job desk because it is part of my commitment. I like something new, of course something related to technology
